

Ashcroft Infants & Nursery School

Our New Catering Service

From Easter, we are taking our school catering service in house with the help of Catering Management Consultants, as we believe in giving our children the best start in life.

Having our own, in-house catering will allow us to be more creative with our menus, offering the types of food that we know our children like and allow us to have a greater variety of fresh produce to choose from.

It also means that our catering staff will become part of the Ashcroft Infants Team. They will be working on Theme Days, Taster Days and other offers and promotions so please keep a look out on our school newsletter.

We hope to receive your support as we provide fantastic school lunches; chosen by us, made by our team for our school community.

Take a look at our new menus, we think the children will love them!
