A message from the headteacher

Well what a year this has been! I don't think any of us could have predicted having such a strange and uncertain few months. I want to thank you all for your support and encouragement over the last few months and for working together with us as we have tried to navigate such uncertain times.

I would like to wish our wonderful Year 2 children good luck for the next step in their education - I am so incredibly proud of them all. It has been a pleasure to watch them grow into such funny, clever and unique individuals - goodbye Class of 2020 - I will miss you all so much.

Wishing you all a wonderful summer and I look forward to seeing you again in September.

Mrs Fellows

Reports

If you haven't already collected your child's report they will be kept in school and can be collected in September.

September

We know that some of you may feel apprehensive about the return in September. It is an uncertain time and none of us know how things are going to pan out in the coming months. I want to reassure you all that we will be following all government guidelines and will do our best to keep things as safe and stable as possible in school. With that in mind can we ask that outside of school you also follow the government guidelines to help keep us and our families as safe as possible. We have some families and staff where members are particularly vulnerable due to ongoing serious illness and we would like to support them in any way we can by working together to stay as safe as we can. Thank you for your understanding with this.
