Safer Internet Day

Next week we will be celebrating Safer Internet Day 2025. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join together in helping to create a better internet.

Staying safe online is an important issue which, as an infant school, we're committed to teaching our children about. We are aware that the world of social media is ever changing, and think it is so important to equip our children with the strategies of how to stay safe online.

We would be delighted if you could join us in celebrating by continuing the conversation at home.
