

Design and Technology Progression Map

Aspect	Year 1	Year 2
Design	<ul style="list-style-type: none"> I can design products that are useful and also look good. 	<ul style="list-style-type: none"> I can think of ideas for a product and explain them in different ways, including drawing and talking about them. I can use ICT to design, where appropriate.
Make	<ul style="list-style-type: none"> I can choose the right tools to make something with. 	<ul style="list-style-type: none"> I can choose the right tools and also the right kind of materials, based on what the materials are like.
Evaluate	<ul style="list-style-type: none"> I can explore existing products, say how good they are and explain how they could be better. 	<ul style="list-style-type: none"> I can make my own product and, using design criteria, explain how good it is and the ways I could make it better.
Technology	<ul style="list-style-type: none"> I can build structures and explore how they can be made stronger, stiffer and steadier. 	<ul style="list-style-type: none"> I can explore and use things like levers, sliders, wheels and axles in things I make.
Cooking	<ul style="list-style-type: none"> I can make simple foods by thinking about a healthy diet. 	<ul style="list-style-type: none"> I can make simple foods and evaluate their taste. I can talk about a healthy, balanced diet using the Eatwell Guide. I know where different food comes from.
