Charity Support

Thank you so much to everyone for supporting our fundraising this term for Jeans for Genes and Children in Need. We raised an amazing £159.30 for Jeans for Genes and £157 for Children in Need.

Threadworms

We have been made aware of a case of threadworms in school. Threadworms are very common in children and can spread easily. Children rarely feel unwell, though they may become irritable at night. Pupils can continue attending school if they have threadworms, but we do encourage extra vigilance with handwashing and general hygiene.

For more information, please visit the NHS guidance on threadworms.

Staffing Update

We are sad to announce that our lovely cook, Ms. Hemmings, is leaving us today. She has given so much care, energy and hard work to our children every single day, and we're incredibly grateful for all she's brought to our school community. We wish her all the happiness and success in her new ventures.
