## Newsletter

Friday 20<sup>th</sup> March 2026

### Scarlet Fever

We now have several cases of scarlet fever in school. Please follow the NHS link below for guidance on symptoms, treatment and how to help prevent the spread of infection.

Children who are unwell should remain at home until they have been on antibiotics for 24 hours and are well enough to return.

Advice for pregnant women:

Scarlet fever is not usually harmful during pregnancy, but if you develop symptoms or have concerns after close contact with a confirmed case, please contact your GP or midwife for advice.
